NEW D. C. BUILDING DEVELOPMENT

GRAMMAR AND HIGH SCHOOL TRUSTEES WERE ELECTED LAST FRIDAY

Andrew Van der Werff, incumbent chairman of the Jefferson Elementary School District board of trustees, will retain his seat on the board for the next two years.

Van der Werff was re-elected to the board last Friday in a close race with D. C. Gensel, who was favored in two of the district's three precincts. The incumbent trustee overcame and passed his opponent when the third precinct's vote was tabulated.

Final tabulations:

	Gensel	Van der Werff
Woodrow	181	150
Crocker	113	68

Final tabulations:

	Jones	Weisenburger	Callan	Castelan	Millette
Woodrow	208	149	143	32	87
Jefferson	134	133	210	29	93
Crocker	125	114	70	16	36
Sharp Park	47	34	104	20	36
Rockaway	21	14	29	8	22
Bayshore	78	59	154	19	36

Organ Dedication Rites Sunday At Presbyterian Church

The new organ in the Grace Presbyterian Church will be dedicated Sunday during 11 a.m. services in the church.

Miss Gertrude Harberts will preside at the organ during services. The instrument will be presented to the board of trustees by Mrs. John Emerson.

State To Erect Coast Road Near Montara

Construction of a six-mile stretch of highway in the Half Moon Bay - Montara area will be started this year, according to announcement this week by Col. J. A. Skeggs, district engineer for the state highway commission.

Col. Skeggs presented the plan Monday to the San Mateo County Planning Commission. It is designed to iron out many of the curves in the coast highway and to widen the road.

The planning commission, considering the state's plan to route the stretch through a part of the Patroni estate property, decided to relocate its recreation site. The commission previously had considered purchasing 10 acres of the land in question for a supplement to its wide recreation program.

Sea Bees Announce Eligibility To High School Grads

The Navy Recruiting Service announced today the famed Sea Bees have opened their ranks to all high school graduates in the form of eight schools: driver, surveyor, mechanic, steepleworker, builder, utilities, draftsman, and construction electrician's mate.

These schools are open just to high school graduates and are of 12 weeks' duration. For information regarding these and other programs call at the Navy Recruiting Station, Redwood City, or phone EMerson 6-1185 or JUmo 8-7782. For the convenience of Daly City men, a navy recruiter will be stationed at the local post office from 3-4 p.m. every Tuesday.

THOUGHTS ON MEMORIAL DAY

This year, as in the years since 1941, it will be Memorial Day all over the world, in the hearts of the American people.

While decorating the graves at home their thoughts will go out to distant fields where the white crosses stand stiffly at attention over the final resting places of other American boys — Normandy and Anzio, Okinawa and Guadalcanal, France and Germany, North Africa and Sicily.

It is fitting that those who died in battle should be remembered, but it is more important that we remember what they died for. However much we eulogize them on Memorial Day, we are not paying our debt to them unless we are striving to make this world a better world — that kind of a world for which they made the great sacrifice.

This end will not be achieved solely on the level of international conferences and diplomatic negotiations. Rather, it will come, in the main, through individual self improvement, through the elimination in our own lives of hate, intolerance and injustice in all its forms. The world can be no better than the people in it; the world can be no better than you.

Through better lives then, let us build a better world in honor and in memory of our heroic dead.

MOVIE STARS TO FEATURE COLTRIN MEMORIAL MATCH

Benny Coltrin, one of the country's leading golf professionals during the 1930's, and tutor of most present-day west coast golf stars, will be singularly honored next Monday by numbers of his colleagues and thousands of fans at an exhibition match on the Lake Merced golf links.

The Benny Coltrin Memorial Match honoring the well-known and much loved pro who died last March, will be played by some of the nation's best known golfers at the Lake Merced Golf and Country Club, where Coltrin presided for some 14 years before his death.

The match will serve a dual purpose — a tribute to the memory of the local golfer, and a project for the acquisition of funds for the education of his three small daughters, Barbara, 7, and the twins, Cynthia and Cathy, 3. Flora, Benny's widow, and the children are living in Garden Village, Colma.

Among the score or more of participants in the match will be Bing Crosby, Randolph Scott, John Hodiak and Dennis O'Keefe, and possibly Bob Hope, Johnny Weissmuller and Mickey Rooney.

Other famed golf figures scheduled to play are Elsworth Vines, former world tennis champion and foremost west coast golfer; Jimmy Thompson, famed as the world's longest driver; Bud Gardner, UCLA student and state amateur champion; Bud Ward, past national amateur champion; Johnny Dawson, runner-up in the 1947 national championship; Art Bell, semi-finalist in the 1947 PGA national tournament and outstanding local pro; Ernie Pieper, noted U.S. amateur; Bob Silvestri, runner-up in the San Francisco championship tourney for the past three years, and the Bauer sisters of Los Angeles, 14 and 15-year-old coming greats.

Joe E. Brown, stage and motion picture comedian, will be master of ceremonies for the event, which some 15 or 20 thousand fans are expected to attend. Peter J. Markovich, local insurance broker, is a member of the committee in charge.

Health Director, Board Meet In First Session

A summary of the work of the county's department of health and welfare will be submitted to the San Mateo Board of Health and Welfare before each meeting, Dr. Harold D. Choche, new health director, said last week.

At the first meeting of the new director and the board, Dr. Choche pledged that he would keep the group well informed of the department's work. The board agreed to act in an advisory capacity on policies and appointments.

The board will advise Dr. Choche this year on appointments to these posts, provided for in the 1948-49 salary ordinance.

Public health engineer, director of public health nursing service, public health educator, and several lesser positions.

Board members are Dr. Olin Holmes, chairman; Dr. Albert Miller, Dr. Stuart Lindsay, Daniel J. O'Connell, Dr. Henry Volante, and Miss Pansy Jewett Abbott, secretary.

Speeding, Parking Citations Bring Traffic Fines

Sixteen persons were fined for speeding and 15 for violating parking ordinances during the week ending last Friday in Daly City's traffic court.

Those drivers paid fines for speeding: James Anderson, Dave Balzi, Helen Bennet, Jacques Demandel, William Ecker, Cecil Freeman, John Kelly, Henry Mattei, Ted Morando, John McDonnell, John Scheper, James Sino, Santa Torresan, Elmer VanDusen, Jess Wright, and Harriet Womack.

Parking violation brought fines from these drivers: David Armstrong, C. Casey, Albert Griffin, M. S. Jackson, Tom Jones, George Mangles, Merlin Morgan, Lawrence Schmidt, Ray Urbanus, John Nesson, James Kirby, Harry Friedman, Winifred Grant, Earl Farrell, and William Allen.

Donald Ahmann, Phillip Faranda, Jack Keran, Frank Lehner Jr., Floyd Minor, Frank Robinson and Wilma Williamson were fined for signal citations, and Edward Phillips paid a penalty for driving past pedestrians in a crosswalk.

"It Might Be You"

The slogan "It Might Be You," being used by the countywide committee for the tuberculosis hospital bonds is a slogan that may well make every citizen in the county take serious thought.

The white plague of tuberculosis is no respecter of persons. It strikes at little children, it takes fathers from families, mothers from their babies, and it is an ever present threat to the wellbeing and happiness of all of us.

Fortunately, medical science has been able to find ways of saving those of us who may be stricken with this deadly disease that used to claim the life of every one of its victims.

But science of care, rest and chest surgery is useless if no hospital is provided in which the doctors may carry out their work of mercy. For obvious reasons the regular hospitals are not a proper place for the treatment of tubercular patients.

There must be provision of a hospital designed correctly to make the best usage of what science has learned for the cure of tuberculosis. This need has already been recognized by the operation of the now out-moded, overcrowded and dilapidated Canyon Sanatorium, and by the present, inactive bond issue for this purpose.

Bearing in mind the thought that "It Might Be You" it seems wise that this provision should be made. It is essential protection for the citizens and their families. This protection can be gained by voting "Yes" on county proposition No. 1 on June 1.

Because an economy of \$300,000 can result by building this hospital in conjunction with the present Community Hospital, a "Yes" vote on proposition No. 3 will mean less taxation.

When you mark your ballot, remember—"It Might Be You!"

POST OFFICE SEEKS NEW QUARTERS HERE

Postmaster William H. McCarthy announced today that proposals, to be received at the office of Post Office Inspector W. H. Hudson, Room 317, Rincon Annex Station, San Francisco, up to and including June 21, 1948, are being solicited to furnish quarters suitable for post office purposes.

The location is restricted to the immediate vicinity of Daly City Branch, 6253 Mission street, San Francisco. A floor space of 2700 square feet is desired.

The quarters must be available for lease by-the-year for a five-to-10 year period, from December 11, 1948.

Firemen Present Annual Ball For Widows, Orphans

A fireman's red helmet marked the stage, and multi-colored streamers formed a canopy over the floor of Jefferson High School's auditorium last Saturday night, while something under a thousand localites danced to the music of Phil Bovero's KNBC orchestra.

The occasion was the Daly City Fire Department's annual ball to finance its Widows and Orphans Association. Dancers crowded the floor at 9 p.m. and stayed 'til 11 a.m., through an evening of entertainment, speeches and general merry-making. Emil Bertelli was master of ceremonies for the event, and city officials were special guests.

Highlight of the affair was a grand march, led by four prominent couples — Fire Chief and Mrs. Elmer Kennedy, Assistant Chief and Mrs. Arthur Bodien, Mayor and Mrs. Tony Gaggero, and Councilman and Mrs. Edward Mooney.

Andy Conaty and George DeBono presided over the well-attended soft drink bar throughout the dance. Among the outstanding entertainers was Joe Grado, popular local accordionist, who was brought back for innumerable encores.

Crocker Executive Board Plans Coming Activities

Initial plans for the Crocker Parent Teacher Association's annual sewing club luncheon and annual picnic were made Tuesday at an executive board meeting at Mrs. Effie Jordan's home.

The board also formulated plans for the forthcoming graduates' luncheon, for which a date has not yet been set, and figured the term's budget.

756 Employees In Salary Ordinance

The ordinance governing salaries of the county employees for the 1948-49 fiscal year this week was approved by the San Mateo County Board of Supervisors.

The ordinance lists 756 elected and appointed employees, an increase of 67 over last year's number. The ordinance does not include part-time workers.

Among the new jobs created in the setup are three important positions in the health department: superintendent of field services, with a starting salary of \$686 monthly; public health educator, \$332 to start; and public health engineer, starting at \$464.

The 11-page ordinance calls for an unappropriated salary reserve of \$50,000, which may be used to cover personnel or salary adjustments arising during the year, with the recommendation of the civil service commission.

County, Primary Elections June 1 Throughout State

Governor Earl Warren, Republican, and President Harry S. Truman, Democrat, are the sole presidential candidates listed on the June primary ballots distributed last week to voters throughout the state of California.

Jack Z. Anderson, Republican, who has cross-filed on the Democratic ballot, is opposed in his congressional candidacy by Johnathan Rowell, Redwood City attorney, and Oliver J. Todd, Rowell also has filed on the Independent Progressive Party ticket.

Harry L. Parkman, incumbent, and Edward J. Carrigan oppose each other on both the Republican and Democratic ballots for state senator, while Richard J. Dolwig, incumbent, and Robert H. Hardgrove, newspaperman, have filed for the state assembly. Dolwig, Republican, has cross-filed, while Hardgrove has filed only on the Democratic ticket.

Four Republican Central Committee incumbents have filed for re-election to the four available seats: Henry E. Venturi, Rudolph A. Rapley, Joseph Luis Sarto and Thomas J. Callan. For seven available seats on the Democratic Central Committee, 11 have filed: William I. Farmer, Julius F. Castelan and Frank Garabaldi, incumbents, and George F. Wheeler, Vivien C. Hunting, Harold J. Bailey, George H. Wallace sr., David Barraza, Theodore R. Pretzer, George J. Sims, and John J. Murphy. Only two candidates, John P. Moran and Mrs. Mable C. Schaaf, have filed for election to the Independent Progressive Party Central Committee. Five posts are available.

Candidates for Superior Court Judge and County Supervisor posts have filed on all ballots. Superior Judge Aylett Rains Cotton, incumbent, is unopposed in his candidacy. Thomas L. Hickey, incumbent, is opposed by Roy P. Womack in the first district; Henry W. Edmonds, incumbent, is opposed by Arthur V. Swift in the third district, and James Waldeman Healey opposes Alvin S. Hatch, incumbent, in the fourth district.

Only three propositions, listed on all ballots, have to do with the question of a county tuberculosis hospital. Number 1 demands a vote on incurring a bonded indebtedness of \$1,500,000 for acquisition of a tuberculosis hospital; numbers 2 and 3 decide the site for the hospital.

State Official Requests Change In Rent Board

C. C. Wyman, representative of Governor Earl Warren's office, last week requested the county board of supervisors to affect a change in the make-up of the county's rent control board.

In a letter to the board, the state official recommended that the board be changed to include a representative of tenant interests. He stated that "the regional housing expediter has notified the governor that analysis of the present membership of the San Mateo County board indicates it is not, as a group, representative of the affected interests in the area."

Wyman said that amendments to the 1947 Housing and Rent Act demand a 3-1-1 ration of members—three representing the public, one for the landlords and one for the tenants. The local board, he pointed out, covers only the public and the landlords.

According to Damian Reynolds, chairman of the rent control board, however, the board does include a tenant representative. John Cawwell, who rents an apartment in the Burlingame Hotel, Reynolds said, is the board's tenant representative.

\$30,000 Fire Destroys Hogs, Barn In Colma

The odor of roast pork blended with cabbage perfume in the Colma area Tuesday morning after a fire which reportedly destroyed 480 hogs and caused damage in the amount of \$30,000.

According to county firemen, the countryside was covered with fleeing, squealing pigs which had been released from the burning pens by the police. Joe Lunghi and Joe Barbino, owners of the Quality Hog Co. ranch at San Pedro road and Skyline boulevard, said the animals were fully insured.

The fire leveled one barn which had been used for fattening purposes, destroying all the hogs in it, but a favorable wind and heavy fog prevented the fire from spreading to four nearby structures, according to firemen.

The blaze was discovered at about 3:30 a.m. by Sergeant Rico Benedetti of the Daly City Fire Department of the Daly City Police Department, while patrolling the south part of the city. Despite a thick fog, Benedetti said, he could see the flames in the hills beyond town.

The patrolman drove to the scene of the fire, and after notifying the county fire department, released the hogs from their pens and drove the farm truck away from the danger area.

A fire truck from Rockaway Beach and a 2,000-gallon tanker from Redwood City were dispatched to the fire. Trucks from the Colma and Daly City fire departments aided in bringing the blaze under control.

Native Daughters Win First Prize In Fiesta Parade

El Carmelo Parlor, Native Daughters of the Golden West, received a check for \$40 this week—first prize for their drum corps showing in the Fiesta Hacienda parade at San Rafael last Sunday.

The local corps, which has won honors in numerous parades since the first of the year, was judged best in the senior girls drum corps division of the fiesta procession.

Sunday's appearance marked the second time the young women wore their newly completed costumes—white satin cossack blouses with green sashes and drums and wide white sashes.

Verna Moresco, majorette, was followed by Ellen Pieri, Mary Thimes, Nadine McDonnell, Marie Gilbrech, Barbara Ford, Doris Voronko, Johanna Schwarz, Shirley Remmer, Dorothy Linehan, Yvonne Hulme and Kathleen Day.

Robert E. Thompson Enters MPO School At San Diego Base

Robert Ernest Thompson, son of the William A. Thompsons of 246 Los Banos avenue, will enter the Naval Training school for motion picture operators next Monday, according to a letter received last week by his parents.

Thompson's new address will be "Motion Picture Operators School, U.S. Naval Training Station, San Diego 33, California."

HOUSING PROJECT ON EDMAR STREET IS BEING PLANNED SOON

Schools, Banks, Other Businesses Closed Monday

Elementary and high school children of the Jefferson district will enjoy a prolonged holiday this week end, according to school officials.

Schools will close Friday afternoon, not to reopen until Tuesday morning. They will remain closed through Monday, in observance of the nation's Memorial Day, although the holiday actually falls on Sunday.

Similarly, many business establishments and offices in Daly City will lock their doors in observance of Memorial Day.

Local banks, in addition, will remain closed through Tuesday, Election Day.

Bars and cocktail lounges will be closed on Election Day from 7 a.m. - 7 p.m.

Bad Check Passer To Face Probation Revocation

William N. Bouwes, 33, former Daly City resident, was returned from Salt Lake City last week by the San Mateo County Sheriff's office to face revocation of his probation.

Deputy Sheriff Paul Jensen went to the Utah city to bring Bouwes back, on a warrant for his arrest signed by Superior Judge Aylett R. Cotton. Bouwes, after pleading guilty to several bad check charges in San Mateo county, was granted probation on his promise of restitution.

Instead of repaying the money, however, the sheriff's office said Bouwes cashed two checks totaling \$70 in Berkeley. Last month, Chief Probation Officer John S. Cowgill applied for revocation of his probation. Bouwes has waived extradition.

D. C. Baseball Club Wins Over Cardinals, 17-5

The Daly City Baseball Club romped over San Francisco's Cardinals last Sunday in a free-for-all contest on Marchbanks field.

It was good batting day for the locals, with Lawrence Sylvestri getting a triple to left center in the fourth inning; Flynn hitting a home run in the fifth, and Dick Schultz batting three for four.

Fred Lucia started on the mound, with Lola Petroschi taking over in the seventh, to pitch a 17-5 win over the Cardinals.

In a 2 p.m. game at Marchbanks this Sunday, the D.C. club meets a Sacramento team in what is predicted to be a hard, tough match.

Governor Opens "Fire Prevention" Campaign

Early season efforts of "Smokey." The Fire Prevention Bear got off to a flying start in Sacramento today when Governor Earl Warren officially opened the 1948 campaign to prevent forest, range, and watershed fires. Representatives of the California Fire Prevention Committee, a citizens' group made up of more than eighty-five private and governmental concerns, that met with Governor Warren include Chairman DeWitt Nelson and, from left to right, William H. Fairbank, Harry W. Stewart, Harry E. Owens, Henry Clineschmidt, and W. I. Hutchinson.

THIS WEEK IN HISTORY

Eight years ago this week one of the great miracles of modern time began. Late in May 1940, as the armies of Hitler drove westward with incredible success, the British forces trying desperately to halt the advance, found themselves trapped at Dunkirk.

Like the biblical story of the Children of Israel at the Red Sea, they were confronted with a pursuing horde on one side and an impassable barrier on the other. But unlike the Israelites they did not have a Moses to strike the waters of the English Channel and cause them to part. The day of such marvels was past. Or was it?

Just when the situation looked hopeless a strange calm fell over the usually turbulent waters of the Channel. With it fell a dense blanket of fog, quite out of season. The placid sea enabled the myriad of small rescue boats to move easily from one shore to the other with their precious human cargo. The fog lay like a great protecting hand on the shoulder of the beleaguered army.

Five days later, more than 300,000 men had been taken safely home. Dunkirk was thus turned from an irreparable catastrophe into a "victorious defeat" without parallel in modern history.

Maybe the sudden calm of the sea and the dense fog were merely coincidental with the rescue. But to the millions who prayed on that occasion these things were a direct answer to their prayers.

It's pretty hard to believe otherwise.

STYMIED AGAIN

Hawaii has been left waiting once again. The Senate action in refusing to call the statehood bill out of committee where it has been frozen since 1947, dashed all hope of the islands for admission into the Union this year. The committee wants more data on conditions in Hawaii before approving statehood. To get some of the information first hand the committee members may take a trip to the islands — at the taxpayers' expense. Numerous other congressional groups have taken trips over there for the same purpose in the past. Of course, an ocean voyage is very restful and pleasant, especially when it's all for free. But it would seem that Congress should have enough data by this time on the ability of Hawaii to qualify for statehood. If such information has not already been obtained through testimony, documents and previous junkets, it will hardly be gained by another congressional excursion to Waikiki.

High School PTA Seats Officers, Chairmen Thursday

The annual Fashion Show and Teachers' Tea sponsored by the Jefferson High School P.T.A., was held Thursday afternoon, May 13, in the cafeteria of the high school. The students of the sewing class modeled fashionable clothes of their own creation, and the cooking class served refreshments, under the direction of their teacher, Miss Jones.

Mrs. Eve Hobbs, retiring president, conducted a short meeting, after which time Mrs. Mae Eder, installing officer, took over her duties for the unit. In colorful installation ceremony, the following officers were installed:

President, Mrs. Mildred McGee; in vice president, Mrs. Florence Hopman; honorary vice president, Stanford Hannah; recording secretary, Mrs. Carol Freeland; corresponding secretary, Mrs. Frances Haussler; treasurer, Mrs. Hilda Hickey; financial secretary, Mrs. Frieda Cady; auditor, Mrs. Marjorie Reardon; parliamentary, Mrs. Eve Hobbs; and historian, Mrs. Catherine Duffy.

After the installation, Mrs. McGee welcomed all the members and visitors present, and thanked all those who had assisted in the installation, and named all the chairmen for 1948-1949: hostess, Mrs. Stanford Hannah; patriotic and citizenship, Mrs. Mary Crane; hospitality, Mrs. Lillian Thomey and Julia Peterson; asst. directors, Mrs. Ida Hanley; student welfare, Miss Sutton; juvenile protection and safety, L. B. McGee; legislation and school education, John Morgan; life membership, Mrs. Bernice Hannah; motion picture, Mrs. Mary Wakefield; radio, Mrs. Tina Hollingsworth; Founders' Day, Mrs. Eve Hobbs; membership and registration, Mrs. Florence Hopman; Bayshore representative, Mrs. Stella Filarski; Colma representative, Mrs. Tina Hollingsworth; Woodrow Wilson representative, Mrs. Frieda Cady; Brisbane representative, Mrs. Byron Jensen; budget and finance, Mrs. Ann Eason; homemaking, Miss Jones; publicity, Mrs. Marge Calvin; magazine, Mrs. Emma D'Isop; emblem, Mrs. Virginia Davidson; character education, Mrs. Betty Kohlbrener; study chairman, Mrs. Ruth Morris; program, Mrs. Catherine Foreman; sewing, Mrs. Martha Linden and Mrs. Lillian Cavagnaro; and sunshine, Mrs. Olga Bordson.

OCS To Reopen For H.S. Grads

Reopening of its Officer Candidate School to civilians and men in service who can meet the training qualifications has been announced by the United States Air Force, Capt. Fitzgerald, in charge of the San Francisco Army and Air Force Recruiting Station, revealed today. The program's objective is the procurement of properly trained, highly skilled non-rated administrative officers to take responsibility for the numerous ground duties connected with the operation of a modern air force.

Successful candidates will be commissioned as officers in the Air Force Reserve and will be eligible for engineering, photography, weather, radio, radar and the various other technical and specialized Air Force schools available to qualified non-rated officer personnel, said Capt. Fitzgerald.

Interested men have been invited to stop by the local recruiting station at 20th and Mission streets and obtain application forms and complete eligibility requirements. He announces that the next classes will commence on July 7, 1948.

New Arrivals

To the wife of Walter E. Howen, Colma, April 21, a daughter.
To the wife of Stanley J. Thrift, 414 Evergreen avenue, May 10, a son.
To the wife of Donald E. Van-Kirk, 445 Winchester street, April 22, a daughter.
To the wife of George M. Bradley, 718 Bellevue street, May 9, a son.
To the wife of Henry Guillory, 487 Bellevue avenue, May 3, a son.
To the wife of Louis Bisio, 15 Bruno avenue, May 7, a daughter.
To the wife of Frank J. Heinzel, 32 Willets street, May 13, a son.
To the wife of Thomas S. Herbert, 50 San Joaquin avenue, April 22, a son.
To the wife of Miguel E. Yriberri, 75 Evergreen avenue, May 13, a daughter.
To the wife of William J. Anderson, 238 Chester avenue, May 14, a son.
To the wife of John D. Friend, Broadmoor Village, May 17, a daughter.
To the wife of Durant W. Mosely, 8 Garden Lane, Garden Village, May 18, a son.
To the wife of E. L. Sturtevant, 242 Miriam street, May 16, a daughter.
To the wife of Robert A. Lynch, 650 San Diego avenue, May 22, a son.

Three Concerts To Be Presented Here This Year

Three top-drawer concert attractions are being engaged this week for presentation during the winter in the Daly City Community Concert Association's first concert season.

The new association ended its drive last Saturday evening with some 450 memberships listed. The total, while only little more than half the desired goal, makes possible a series of three concerts in the Jefferson High School auditorium this winter.

Totalling its membership receipts and figuring its budget in a special meeting at the city hall Saturday night, the association's executive board made a careful selection of the desired artists it could afford.

Barring unforeseen difficulties in engagements, the 450 members of the 1948 concert series will see and hear:

Mary VanKirk, contralto, favorite concert and radio artist whose voice and warmth of personality are reminiscent of the old school; George London, bass-baritone, Canadian-born opera singer whose versatility makes him an engaging personality in both choral and solo presentations, and

Appleton and Field, duo-pianists, whose unusual repertoire of classical and modern works have been critics to acclaim them "a most interesting and engaging team who think and play as one."

Members of the concert association should take notice also of the opportunities presented in the association's reciprocity program, by which any local membership holder is entitled to attend all concerts sponsored by the Community Concert Association of any other city.

A Daly City member, for instance, may attend any or all concerts sponsored by the San Bruno Community Concert Association, by the Los Angeles City association, the Redwood City or San Carlos association, or any one of 10 in the East Bay. There are 92 such individual branches in California alone, and more than 1,000 throughout the United States, Canada and Mexico — all affiliated with Columbia Community Concerts, Inc. And a member may attend the concerts presented by any of these.

In San Bruno next winter, three outstanding Columbia artists will be presented in concert, San Bruno's choice is David Lloyd, tenor; Jorge Bolet, Cuban pianist, and Susan Reed, soprano balladist.

Elman Rose, president of the association; Mrs. E. B. Oehander, vice-president; Mrs. Ethel Gray, general chairman; Mrs. Eleanor Willis, treasurer; and Mrs. Bertha Sutton, secretary, as well as the entire board of directors, have publicly thanked their large staff of membership captains and workers for their work on the association's behalf.

Mrs. Mildred Seiler, headquarters chairman, was to meet with the executives today to announce the winners of the campaign contest. Three cards will be awarded to the workers accounting for largest signups.

Fred Friday Wins At Bayshore; Johnny Boyd Flips

By Tom Tromborg

The black knight of the speedways, Fred Fisherman Friday, last Friday won the 25-lap main event at Bayshore Stadium amidst a near-calamity. Friday started fast from the green flag, and led the field going away, after being pressed by the inconsistent challenges of Lyle Johnston in car 89. The sleek number 3, predominantly quiet as midgets go, hummed in mechanical perfection on a track that was dangerously rough on the inner turns, and slick on the wide flats of each corner.

On the 19th lap, Johnny Boyd in circle 8 hit the rear wheel of Don Smith in car 127, and flipped badly coming out of the far turn to the left of the grandstands. At first appearances the situation looked bad, with his death a problematical conclusion to the majority of the spectators.

But fate played her hand, and Johnny Boyd suffered only minor body abrasions and bruises. Many of the association's finest drivers spun with alarming consistency because of the track's slackness. Friday, in the main, finished the last four laps under the yellow flag, as hundreds swarmed over the field after Boyd had overturned.

In the main, Burk in the flaming yellow, was third, and Piper fourth in 53. Ed Normi, in the Begnotti number 7, was moving up fast from the rear of the field when his car spun in the south turn on the 14th lap to omit him for the night's racing.

In the semi-main, Bert Morland, in the sleek purple continental, ran away from the field to win going away in a very smooth and deliberate style of driving. Only in two instances did Woody Brown, in number 5, ever move up to press him, and then to the floorboards would go Morland to pull away and retain a fast finishing first for the checkered flag.

Number 131, a Drake, was third, and Piper, in 53, was a trailing fourth. Boyd, in 8, won over Sores in number 9 for the three-lap trophy dash.

SPORT NEWS

By Ralph Capps

New Basketball League Underway
Another torrid basketball league is well underway at the Jefferson gym. The new league, presently led by the Johnson Roofers, Speed Liquors, and Conway & Culligan Builders, is a much faster league than the last one.

The only hold overs from the league ending a few weeks ago are the Colma Boys' Club and Alex Johnson Roofing Co., who finished second and third respectively. Colma has added towards Ed Denning, formerly of the Eagles, and Jack Dederman, high scoring all-PAL basketball player from Jefferson. The Roofers have added Don Welsh, Andy Parodi, and Big Bill Fischer, all former Eagle players.

The other six teams in the league include teams from Millbrae, San Mateo, Visitation Valley, South San Francisco and San Francisco; and feature such widely known stars as Ross Guidice of C.S.R., "Cookie" Kennedy of Santa Clara, and the fastest team in the all-state, nearly all-American champion San Mateo J.C. squad. All of this talent having been fairly well distributed, every game played in this league is sure to be a boom evenly matched and well played.

Many of the "second guessers" seem to believe that the winner of next Tuesday night's game will become the league winner. Although the league is still very young, the second guessers have good reason for this surmization because the game will be played between Conway and Culligan of Millbrae, and Johnson's Roofers of Daly City, the classier two of the three undefeated teams. The build-ups are a fast, well-balanced team with scoring threats in every position. They play a close man to man and feature rangy Bud Good-year, the all-league center from San Mateo J.C. who will be playing under scholarship for UC next year. Alex Johnson's boys are all graduates of Jefferson High School who have played under Elman Rose and are utilizing his great shifting zone defense. Not too damaging offensively, the Roofers depend mostly upon their unique zone and the unbelievable rebounding of Teddy Prescott. This game will be the second half of a superb double header. The crowd pleasing Colma Boys Club will meet the five Coretti team at 7:20 p.m.

On Thursday night undefeated Speed Liquors will play the once defeated Windbreakers of South San Francisco in the first game; followed by a game between Daly City's American Roof Maintenance, Class "D" champs of the recent San Francisco recreation league, and the newly formed Visitation Valley Merchants five.

Every game will be played on the Jefferson hardwood; each promises to be exciting, and the admission is free. See you at the games Tuesday.

George Bournellis Back
Perhaps you baseball fans are wondering why you've seen George Bournellis cavorting around in the Daly City Baseball Club's uniform on Sundays. Well, as you know, George was signed by the San Francisco Seals to pitch for their Pittsburg farm team. Bournellis appeared in three games for Pittsburg and did okay, but his arm was giving him considerable trouble. After the third game, when the little left hander just began to hit his stride, he complained to manager Gus Suhr about his sore arm. Suhr immediately sent him to have his arm X-rayed and it was discovered that six chips were floating around in his elbow. Feeling it a waste of time to sit

around with a lame wing, Bournellis refused Suhr's offer to stick around as a utility outfielder and returned home. Little George, who stretches to about 5 foot 2 inches standing on four sheets of paper, expects to be called again next year, but thinks that he's too old to bother with an operation since the arm doesn't always bother him. Good luck with the locals, George, and watch that elbow.

Competitive Activities Planned For Local Schools

A swimming meet is scheduled for Saturday, June 5, at the Jefferson pool. The event will be conducted under the auspices of the Daly City Recreation Department and will include teams from Crocker, Jefferson, and Woodrow Wilson grammar schools. Crocker, coached by Bob Seiler and led by Northern California champ Norman Cady; winner of the annual city Stanley Davis; and promising young Martin Verece, is expected to cop team honors. Woodrow Wilson is coached by Art Valverde, and Jefferson by "Buckey" Linhares. Either team could upset the favored Crocker team and both will be out to do so.

Future plans include a handball tournament and a full schedule of sporting events for the summer soon to be announced.

Troop No. 106 Enters Baseball League

The boys of the American Legion sponsored Troop No. 106 have entered the McLaren Park district baseball league. This league will include Boy Scouts teams from Brisbane, Bayshore, Visitation Valley, Daly City, and Outer San Francisco. Home games will be played at either the Jefferson High diamond or at Marchbanks Park. The schedule, yet to be announced, will start next week.

Baseball Fever Hits Daly City

With the big leagues and the neighboring Seals now in full swing, the young man's fancy turns to baseball. Ah, yes! And what better environment for a baseball player of any age than right here in Daly City? If you are between the ages of 12 and 15 you can join the Boy Scouts and play for Troop No. 106. If you are 15 or 16 you can play for the American Legion Post No. 410. The Legion team uniforms are contributed by the Ford Motor Co. and the best of balls, bats, catchers' equipment, and coaches are contributed by the local post. Boys from 15 to 18 may play for Joe Sarto's Colma Boys Club, a superb mass of young baseball flesh, excellently equipped. If you are over 18 years old, and not too old to run around a diamond, you may play for the Daly City Baseball Club. And if you can't make it around the bases you can always come down and watch.

Besides Troop No. 106, the American Legion team, Colma Boys Club, and the Daly City club, there are, of course, the school teams, Jefferson High, and the grammar school teams sponsored by the recreation department. Say you want to play baseball? Take your pick.

Daly City Football Team Over the Top Financially

Latest reports have it that the Daly City Merchants are behind Coach Harlie Ferrando 100 per cent; or should I say 200 per cent. Yes, the club has rustled up some \$2,000 for equipment and traveling expenses. Ferrando, who has studied football since he was that high, says, "All I need now is a football team." He says this with tongue in cheek, however, as he knows down deep, but is too modest to

FORE AND AFT

Your rear view mirror is the best available substitute for eyes in the back of your head, but it's useless unless you consult it before making a maneuver in traffic, says the California State Automobile Association.

admit, that with his coaching, and part-time aid of Jack Rank as line coach, he could make a team out of the Girl Scouts. Jack Rank, as you know, is the best lineman ever to come out of Jefferson High, and is currently starring at tackle for San Jose State, and was his teammate and an all-PAL quarterback at Jeff a few years ago.

I don't want to jinx the newly organized pigskinners with over praise, though, because they are in an extremely fast league for a semi-pro team, and it may take a season or two to get started. You can bet your bottom boot, however, that the boys will have the plays, the fundamentals, the spirit, and the will to win. The team is already starting to practice and everyone is welcome to try out. See Harlie Ferrando or any of the sponsoring merchants for the time and place. Such familiar names as George Debono, Hank Steele, Bob Fryer, Don Mossi, Tuilo Picini, Oscar McGrath, Bob Dyer, and many others will be on the lineup for the opening game in August. We're all pulling for you, Harlie.

Jefferson Indians Lost Playoff Series

Jefferson usually makes the PAL playoffs, but very seldom gets the breaks when the chips are down. Such was the case this year, the Indians losing their series with San Mateo 2 to 1.

Jeff entered the playoffs by defeating traditional rivals South City 3 to 1. Ottomello allowing only two hits. This made their season league record five games won, against three defeats.

The first game of the series played last Tuesday, was an exciting scoring duel, Mossi allowing ten hits and nine runs. Bearcat hurler, Aguiar, pitched very unsteady ball, striking out nine Indians, allowing seven hits, walking fifteen, and allowing 10 runs. After the Bearcats tied it up in the 7th inning, Jefferson scored three runs to San Mateo's two in the tenth, giving Jefferson a 10 to 9 victory.

The second scheduled seven-inning game also went 10 innings on the following day. Had the Jeffersonians taken this one they would have swept the series, but luck was not with them, and San Mateo bettered Jefferson pitchers Cheringo and Ottomello 4 to 5 despite Don Lungi's homer.

The two teams met in the crucial game the next day, Saturday. Score 23 to 3. Jeff did not win. Jeff said.

On the whole Jefferson had quite a successful baseball season, doing well in the PAL with their five and three record. John Olcese, leading batter for the Indians, has been chosen to represent the North in the Peninsula's North vs. South all-star game.

Legion Auxiliary Presents Awards In Essay Contest

City awards in the American Legion Auxiliary's Americanism Essay contest were presented to elementary school winners last week in an assembly at Crocker Elementary School.

Crocker school, according to Legion Auxiliary officers, made the only showing in the local contest, preliminary to district and state competitions. District awards were presented at a previous assembly.

Winners in the first classification, including fourth, fifth and sixth grades, were Carolyn Saumer, first; Robert Yagan, second; Joy Logan, first honorable mention, and Norma Khinoo, second honorable mention. The second classification, including seventh, eighth and ninth grades, saw awards go to Kenneth Pennington, first; Andrew Vronich, second; Peggy Joy Lee, first honorable mention, and Bob Welch, second honorable mention.

Carolyn Saumer was second place winner in the districtwide competition for the first group, and Kenneth Pennington second for the second group. Kathleen Johnston of Jefferson Union High School, third place winner in the district high school contest, will receive her award in a future assembly.

HONOR INVENTORS

In order to give full recognition to the two inventors of the airplane, U.S. Navy records recently were changed to honor the memory of both Wilbur and Orville Wright in the name of the carrier USS Wright.

Native Daughters Entertain Mothers At Annual Party

On Wednesday evening, May 27, the Native Daughters of the Golden Wreath entertained the mothers of members at an annual Mothers' Night. Chairman Hattie Kelly introduced each of the mothers and daughters in attendance, after which the mothers were a gaily-wrapped vocal selections by Joan Hopi and vocal and piano selections by Geraldine O'Sullivan.

At the conclusion of the musical program refreshments were served in the banquet hall, where tables had been decorated with bouquets of roses, fuschia, and lilies. Pretty nut-cups filled with candies marked each place. Mothers were seated at the round tables, where a tablecloth from the parlor was presented. Guests were served sandwiches and chicken pies, homemade coffee and tea by members of committee.

NOT BY ACCIDENT

Good driving habits are acquired by thought and attention to detail; they shouldn't be learned by accident, says the California State Automobile Association.

DEVELOP NEW TORCH

The U. S. Navy has developed new steel cutting torch using electricity and an oxygen jet to create. The new torch avoids dangers inherent in using the highly explosive acetylene torch.

STOPS AND STARTS

Sudden stops in traffic cause excessive wear on tires and brakes, and sudden starts cause many accidents, points out the California State Automobile Association. Stop slowly, start slowly, and "Take It Easy."

In a position to judge necessity and ultimate economy.

"But as important as these considerations may be, the prime reason for voting the \$1,500,000 tuberculosis hospital bond issue is the genuine protection it will afford to every average-income family in the county. The new hospital means that they will not be called upon to bear expenses greater than they can stand if some member of the family contracts tuberculosis, and it also means that these loved ones will have the best of care and, in most cases, the certainty of a permanent cure."

BE IT FURTHER RESOLVED that at any time not later than the hour set for hearing objections to the proposed annexation any owner of property within the territory proposed to be annexed may file written protest against the proposed annexation in accordance with the provisions of that certain act of the Legislature, known and designated as "Annexation of Uninhabited Territory Act of 1939."

I hereby certify that the foregoing resolution was duly and regularly passed and adopted by the members of the City Council of the City of Daly City, County of San Mateo, State of California, at a regular meeting held on the 10th day of May, 1948, by the following vote:

AYES, and in favor thereof, Councilmen: Bortolotta, Green, Battye, Mooney, Gaggero.

NOES, Councilmen: None

ABSENT, Councilmen: None

B. C. ROSS, Clerk of the City of Daly City (Pub. May 20, 27, 1948.)

New Officers Of Woodrow P.T.A. Seated Tuesday

Mrs. Marie Miller, retiring president of the Woodrow Wilson Parent Teacher Association, turned over the executive reins to her successor, Mrs. Marie Sorenson, in an unique installation ritual Tuesday night at the school's administration building.

The ceremony was conducted in the style of a court session, with Mrs. Edward Styskel in the judge's chair and Mrs. Miller performing as bailiff. Each new officer in turn was sworn in and sentenced by the presiding judge.

Mrs. Miller, for her untiring efforts in behalf of the association during her entire membership, was presented with one of the PTA's highest honors - the life membership pin. Presentation was made by Mrs. Eleanor Cameron. The retiring executive also was awarded the past president's pin, by Mrs. Frieda Katie, and a gift from the membership, by Mrs. Ruth Emerson. Mrs. Miller in turn presented Mrs. Sorenson with the president's pin as well as flowers and confetti from the association.

Two original poems, "The Outgoing President" and "The Incoming President," were read by Mrs. Miller.

Mrs. Marge Ochander, founder and director of the P.T.A. Mothersingers, was awarded an orchid corsage for her outstanding work with the music group. P.T.A. membership pins were presented to all members of the retiring board, by the president.

Other new officers seated during the ceremony were: Mrs. Ruth Emerson, vice-president; Mrs. Wilma Riley, recording secretary; Mrs. Genevieve Haynes, corresponding secretary; Mrs. Eleanor Cameron, financial secretary; Mrs. Nel Hacker, treasurer; Miss Elizabeth Kennedy, auditor; Mrs. Lois Adams, historian, and Mrs. Marie Miller, parliamentarian.

A gardenia corsage was presented to each new officer.

In a brief musical interlude after the opening flag salute, three selections were presented by JoAnn Meadows and Dawnene Haynes, with accordion accompaniment by Peggy Sorenson. Two dramatic readings were presented by Joyce Pettie.

At the close of the ceremony, refreshments were served by Mesdames Gretchen Olson, Frances Surber, Marge Ochander and C. Saarnen. Yellow and blue, the association's colors, were predominant in table decorations.

Julienne Bernstein Weds R. B. Morgan In Church Rites

Julienne Austring Bernstein, daughter of the Julian P. Austrings of 674 Templeton avenue, became the bride of Richard Bond Morgan last week in a tastefully informal ceremony at the Grace Persbyterian Church.

The Rev. William Harberts officiated.

Frocked in pale blue crepe with grey shoes and purse, the bride carried a bouquet of gardenias, baby roses and forget-me-nots. The flowers were repeated on her blonde straw hat.

Maid of honor was the bride's sister, Phyllis Austring, who wore a grey silk print with black accessories. Her brother, Robert Austring, was usher, while Arthur Schwabel performed the duties of best man. Mrs. Austring, mother of the bride, played the processional and recessional. Julian Austring gave his daughter in marriage.

Receiving at the wedding supper which followed the ceremony, Mrs. Austring wore a navy blue dress with black complements. Among the 40 guests in attendance were the Rev. and Mrs. Edward B. Jorgensen of Vancouver, Washington.

The young Mrs. Morgan, a graduate of John R. Rogers High School in Spokane, Washington, is employed as a sewing instructor for the Singer Sewing Machine Co. Her husband, who manages a Sinter store, was graduated from high school at Paw Paw, Michigan. He is the son of Mr. and Mrs. George C. Morgan of Michigan.

Robert Hardgrove Is Demo Candidate For State Assembly

A roster of leading San Mateo County citizens, including many public officials, today announced their support of Robert H. (Bob) Hardgrove, only Democratic candidate for state assembly from San Mateo county.

Hardgrove previously was endorsed by the Democratic County Central Committee, by all labor groups and many civic organizations.

Armstrong said there is every indication Hardgrove will win a sweeping Democratic primary victory over his opponent, the Republican incumbent who crossed.

IT CAN HURT "What you can't see won't hurt you" doesn't hold true in traffic, warns the Californian State Automobile Association. The unseen object can be disastrous. Keep alert - don't get hurt.

He pointed out that there is a substantial majority of registered Democrats in this county. Hardgrove is a candidate only on the Democratic ticket.

The young veteran's campaign will be concluded with radio talks Sunday and Monday, when Hardgrove will discuss the issues before the state legislature of vital importance to San Mateo county.

He will be heard over KSMO, 1550 kcs., Sunday at 11 a.m. and Monday at 6:50 p.m. and over KVMN, 1050 kcs., at times to be announced later.

The San Mateo news editor has campaigned on a campaign of legislative action, including the repeal of restrictive state laws against the sale of colored oleomargarine.

D.C. Athletic Club To Play Football As "Mustang" Team

By Tom Tromborg

The Daly City Athletic Club has officially adopted the name of the "Mustangs" as its club emblem. Important strides have been taken also in the fall schedule in which the Daly City grid machine will meet its opening league opponent, the Santa Rosa A.C. This opening game will be played September 19 at the Jefferson High stadium—a Sunday afternoon event.

Also on the schedule for the home games are the following clubs and dates the games will be played:

October 3, Sunset A.C.; October 31, traditional rivals, Daly City vs. South San Francisco, here.

It has also been learned that South City has begun the organization of a huge pre-game ceremony which will include bands, acrobatics, and a large rooting section. There is no doubt that South City is red hot in anticipation of this coming football thiasus and it is hoped and counted on that such an enthusiasm will present itself here in Daly City.

The club has a scheduled game at Sacramento in Redcliff stadium against the Sacramento Hawks, in what will be a natural thriller. The needed goal for the necessary equipment is nearing its finish but there is still a very definite amount yet to be acquired. The colors of the uniforms are to be purple and white, and with this there will be a full supply of practice pants and jerseys. Footballs and all other equipment necessary to such a club have been ordered and with this a full practice will ensue. The following is a list of the players who have already signed to play for the team this coming grid season.

Jack Parker, Rich Morgan, Jim Pedersen, Tom Pagni, Bob Anderson, Joe Dalby, Rich Smith, Sidney Pate, Bill Fischer, Dick Myers, Bob Plyer, Tom Tromborg, Hank Steele, Joe Patten, Ken Martin, Mervin Francies, Rod Dawe, T. Picchi, Allen Pettigrew, John Fitzgerald, Bob Grimes, Lee Stevens, Jack Rainey, Bob Dyer, Dick Johnson, Allen Seiler, and others who have yet to join the organization. From these boys and many more will be selected the final 26 who will become the representatives of Daly City in the California Athletic League.

Probably the most important single factor in the entire club's organization has been the terrific and whole-hearted response and backing of the following merchants, which has put the club on an ever-growing, sounder financial standing:

Frank Lombardi, Lombardi Auto Service; Thomas A. Tromborg, Tromborg Plumbing; Louis Beir-lacque, Rubber Products Auto Co.; A. J. Rosenstein, Jefferson Creamery; Pardini and Bennett, Daly City Auto Supplies; Lagomarsino Realty Co.; G. A. Anderson, Anderson Refrigeration Co.; A. Arnaudo, Shannon Hardware; State Sheet Metal Works; Emil Freeman, Monarch Life Insurance Co.; Frank Impeatrice, Impeatrice Bros.; Daly City Auto Wreckers; Hopman Electric and Radio Co.

All these businessmen have contributed greatly to the first, and we hope the lasting, beginning of the Daly City Athletic Club, and every member of the club has expressed his heartiest thanks and appreciation to all these men for their fine, wholesome efforts toward the club's success.

Frank Lombardi, the mainstay of the drive for financial backing, will also use his service station as headquarters for taking signups from any person interested in the club's functions.

Harland Ferrando, head coach, will employ for an offense a double wing back attack with his own very promising variations. Deceptive speed in the backfield, with pin-point concentrated power at the defensive holes will be the outstanding feature of his offense. Passing will be optional at the start of every play, which should be extremely hard on the defensive linebackers and half. More information pertaining to the team will be had by next week.

Wilson P.T.A. Hears Reports On State Conference

Reports on the California Congress of Parents and Teachers in Sacramento this month were presented to the Woodrow Wilson Parent Teacher Association last week by the unit's three delegates—Mrs. Marie Sorenson, incoming president; Mrs. Marie Miller, retiring president, and Mrs. Ruth Emerson, vice-president.

Other speakers at the meeting, the last of the term, were Mrs. Leroy Hixon, YMCA secretary for the peninsula, and Edgar Kneeder, international representative of Columbia Concerts, Inc.

Mrs. Hixon spoke on camp activities available to children nine years old and older. Kneeder's address was a brief outline of the membership plan of the Daly City Community Concerts Association, and its benefit to the community.

A special meeting for installation of the new term's officers was held Tuesday night, May 25, at the administration building.

Mrs. Mildred White and Mrs. Helen Cheatham served refreshments at the meeting's close.

OFF THE BLOTTER

Two persons were taken to Junipero Serra Hospital for treatment this week by the Daly City Police Department, after accidents in Daly City.

Michael Crabb, 77, of San Francisco, was treated for hand abrasions and an eye hemorrhage last Sunday after he was found lying face down in a lot on Junipero Serra boulevard. Crabb was transferred to Community Hospital after treatment.

Seven-year-old Robert Griffin was treated for arm bruises Tuesday when he caught his hand and arm in the washing machine ringer. Robert apparently started the machine while his mother was out.

C. H. Lehman of San Francisco was tagged for violation of the hillhold ordinance Sunday when his car, parked in front of 80 Mission Circle, slipped its brakes and rolled down Hillcrest drive, striking a ground pipe near the hydrant across from 49 Hillcrest drive.

Mervyn Wagner of San Francisco also was cited for hillhold violation Monday when his car, parked at Mission Circle and Hillcrest drive, ran down hill and crashed into a car owned by John De-Volder of San Francisco. Wagner's car was damaged.

Another runaway car, owned by William O. Smith of Berkeley, rolled down Evergreen street and collided with a car owned by Ward-ell Ellis of San Francisco. Ellis' car was damaged.

The Daly City Fire and Police departments responded this week to three fire calls in and near the city. Fire Companies one and seven extinguished a blaze last Thursday at the Otis Brook residence at 25 Los Banos avenue. The fire started, Brooks said, when some kerosene he had been using for cleaning purposes ignited.

Flames in a burning mattress were extinguished Sunday when fire broke out in an open trailer parked on Junipero Serra boulevard. A Murray, owner of the trailer, said the fire apparently was started by a carelessly tossed cigarette.

A grass fire at Tallwood drive and Gambetta street was subdued Saturday by Companies 1, 2, 4 and 6.

Theft of a telephone wire test set valued at \$175, and other equipment valued at approximately \$14.70 was reported to the Daly City Police Department last week by a special agent of the telephone company. The material was discovered missing at 8 a.m. Thursday morning. Line workers, leaving their job at 4:30 p.m. Wednesday, had left the material atop a 25-foot pole in front of 110 Whittier street, near the Daly City limits.

District Officers Installed May 20

Installation luncheon of the Seventeenth District, California Congress of Parents and Teachers, was held at the First Methodist Church in Burlingame Thursday, May 20, at noon.

Each newly installed officer was presented with a basket of pansies by the glee club of the Hayward Park school, San Mateo, as they sang the "Flower Song." A group of early California songs was sung by the glee club under the direction of Patricia Keating.

Representatives of the Jefferson High P.T.A. in attendance were Mesdames Mildred McGeein, Eve Hobbs, Emma D'Isop and Florence Hopman.

New district units and their presidents were introduced by Mrs. George Bruns, P.T.A. extension chairman. The invocation was given by the associate pastor, Rev. Wayne M. Kessel of the First Methodist Church, and the pledge of allegiance was led by Mrs. Faun Tuska. Placecards for the luncheon were made by Mrs. W. B. Taylor, art chairman.

On June 14 the executive board, composed of unit presidents, program chairman, and financial officers, will meet. The time and place will be announced later.

Court St. Mary Elects Officers; Sets Installation

At the last meeting of Court of St. Mary No. 1155, Catholic Daughters of America, election of officers was held. The following officers are to be installed:

Grand Regent Magdalene Savage, Vice Regent Valette Ennis, Prophetess Ida Forest, Lecturer Gladys Walden, Historian Francis I. Tamony, Financial Secretary Josephine Pyne, Treasurer Christine Michelson, Monitor Camille Clarke, Sentinel Clara Scally, Trustees Jeanette Lacchine, three years, Alma Parmisano, three years, and Evelyn Weckerle, one year.

At this meeting the final reading of the revised by-laws was held and the by-laws adopted by those present.

Installation of officers was set for June 3 at 8:30 p.m. at Masonic Hall.

Lucy Lozipone, Wendell Craft Wed In Formal Rites

Miss Lucy Lozipone, of 360 Bellevue avenue, Daly City, became the bride of Wendell Lewis Craft of San Francisco last Saturday in a simple, informal ceremony performed by Municipal Judge William J. Sweeney.

The bride, dressed in a white wool suit with sweetheart neckline, wore a picture hat and shoes of old rose. A purple orchid was pinned at her shoulder.

The bride and bridegroom exchanged rings.

Sole attendants were Mr. and Mrs. Jack M. Price, also of Daly City.

Legion Auxiliary District Prexy Visits D.C. Unit

Mrs. Ethel Casaretto of Menlo Park, president of the 26th District, American Legion Auxiliary, paid an official visit to the local unit May 19 at a meeting in Daly City's Legion Hall.

The district executive was accompanied by three members of her cabinet—Mrs. Adeline Cantasta, second vice-president and poppy chairman; Mrs. Barbara Bush, district secretary, and Mrs. Evelyn Beck, junior activity chairman.

Refreshments were served after the meeting by Mrs. Olga Bordson, committee chairman. Mrs. Casaretto was presented with a corsage—a gift from the unit.

Mrs. Vivian Pahlka, poppy chairman for the Daly City group, expressed her thanks to the public and to her workers for their support of last week's successful poppy drive.

SMOKE SIGNALS

By Carolyn Bucher

Huge pin-wheel suckers, dolls, jump ropes, short frilly dresses, hemmed trousers, roller-skates and even three wheel bicycles were seen around Jeff on Tuesday, May 25. The explanation for the return to childhood was Baby Day presented by the graduating high seniors. During both first and second lunches all of the high seniors sat at a large table in the center of the cafeteria; a birthday party with a cake and all the trimmings was held. Baby Day was climaxed by the Senior Jinx which was presented for the student body during assembly period. Each age group, ranging from the kindergarten through the twelfth grade, individually presented a short comical skit which recalled very well many fond memories of former school days.

Raves, raves, and more raves are all that has been heard from those fortunate people who last night saw the first performance of the lavish water-pagant, "Braziliana," which is now in its second nightly performance at the Jefferson Union High School pool.

Glen Park Meeting

Mrs. A. D. Houston will speak on the topic "Family Recreation," with discussion on playing together, plans for vacation, and community facilities, at the regular meeting of the Glen Park P.T.A. Wednesday, June 2, at 1 p.m. in the school auditorium.

Mrs. M. Fagnani, president, will bring a report from the C.C.P.T. state convention, which she attended in Sacramento.

Refreshments will be served at 12:15 p.m. Mrs. C. Michelson, child attendant, will look after the small children during the meeting.

Royal Neighbors Change Meeting Date

Hereafter, meetings of the Royal Neighbors of America sewing club will be held on the second Friday of each month, instead of the second Tuesday.

Decision to change the meeting date was made last Friday at a regular meeting followed by a whist session. Refreshments were served after the meeting.

Hostesses at the affair were Mrs. Elizabeth Sorensen and Mrs. Marie Rucker. Mrs. Laurette Bertelli and Mrs. Merle Taylor will be hostesses at the club's next meeting.

Other members present were Mesdames Nellie Allen, Jerry Allen, Lillian Thomey, Anna Romer, Margaret Heaton, Agnes Wood, Cora Ray, Annie Smith, Lillian Gray, Lois Storm and Laura McKenzie.

Butano Park Campaign Gets Major Setback

A temporary setback in the acquisition of Butano Forest for a state park was received last week when the San Francisco County Board of Supervisors refused, for "economy reasons," to allocate funds to the campaign.

The refusal was in answer to a request by the Butano Forest Associates that San Francisco appropriate \$100,000 for use toward purchasing an option of the 5,000-acre forest.

Paul A. McCarthy of Redwood City, president of the association, said the drive would continue despite the major setback. The Associates will hereafter request funds.

Dedicated to My Beloved Family On Memorial Day, 1948:

My husband, Thomas Jefferson Beeson, Sr., who died June 20, 1946;
My young son, Thomas Jefferson Beeson, Jr., who died January 20, 1946;
My father, Christoph Oswald, who died March 7, 1946;
My beloved sister, Christine O. Butler, who died September 22, 1947.

Since my dear little family has left me And I'm here to mourn them alone, There is one thought that somehow consoles me— I'll be with you some day, my own; Until then I must go on living. Though the sunshine forever has gone, But true to the actor's tradition— I smile, for the show must go on.

Robert H. (Bob)

HARDGROVE

is the ONLY Democratic candidate for state

Assemblyman

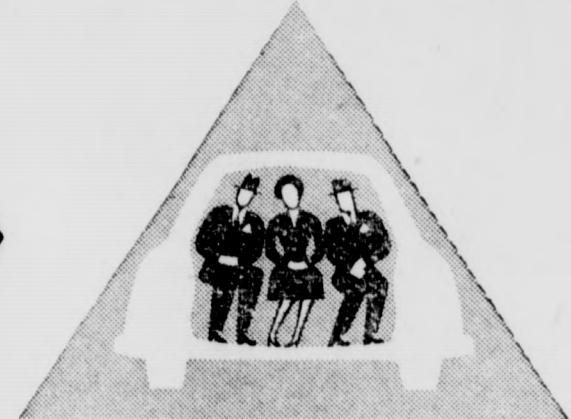

(San Mateo County)

His opponent on the Democratic ballot is the Republican incumbent who cross-filed.

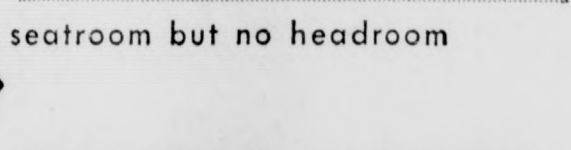

Bob Hardgrove is endorsed by Democratic County Central Committee, the AFL, CIO, Rail Brotherhoods and many civic organizations and individuals.

Only the KAISER and FRAZER have it!

Some "NEW" cars are like this

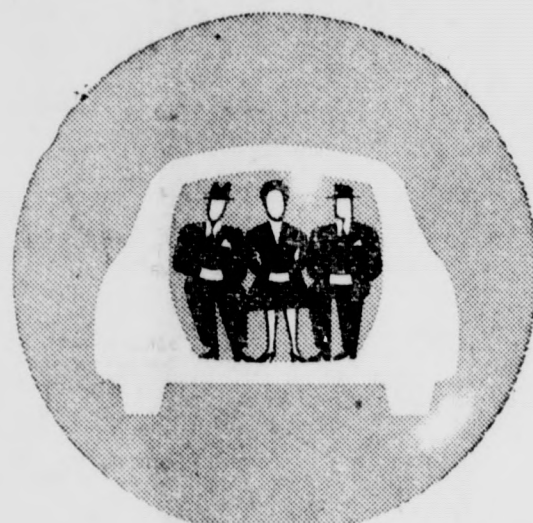

and some "NEW" cars are like this

but only the KAISER and FRAZER are like this

plenty of headroom!
plenty of seatroom!

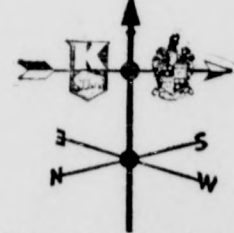

headroom but no seatroom

TRUE FUNCTIONAL DESIGN

True Functional Design is beauty with a purpose. For example, the STREAM-THRU fenders of the Kaiser or the Frazer are a style feature others have attempted to copy. But the real reason for the design has been overlooked. The true function is to provide more usable space without increasing over-all width. Only

the Kaiser and the Frazer have more usable space. MORE SEAT WIDTH! . . . MORE HEAD ROOM! . . . MORE LUGGAGE SPACE! The Kaiser and the Frazer aren't the same old girls in a new dress—they're new from the road up. Best of all these modern cars from Willow Run are yours at no increase in price!

TO THE MERCHANTS AND PUBLIC OF DALY CITY

Last year the merchants of Daly City paid \$16,800.00 in unsecured personal property taxes to the County of San Mateo.

This tax is estimated by the County Assessor's office and the rate set by the Board of Supervisors. The taxable items are the merchants' stock, furniture, fixtures, etc.

And, in return for this tax, what does the County give in return to the City?

The answer is--PRACTICALLY NOTHING!

This tax paid by the merchants must of course be passed on in turn to the consumers, and so the public pays again; either in higher prices or in goods of lesser quality.

A few weeks ago Councilman Paul Green went to the County Executive and County Board of Supervisors and requested them to install oxygen inhalator equipment in the local County ambulance, for the protection of the public.

The cost of this item was approximately \$180.00.

Of course he received a Redwood City promise from these gentlemen, but so far no oxygen inhalator has been installed. How long is such a situation to continue? County taxes rise and rise, yet there are no local benefits to show for them.

In the coming election Tuesday, June 1, we should consider carefully the records of our representatives. If any of them contact you, ask him what his record shows for helping Daly City. Ask him what he intends to do for Daly City. Your vote should be one of approval or one of objection to this unfair tax imposition. Merchants should not be penalized for making improvements in Daly City.

In addition to this, last year the people of Daly City paid \$252,000.00 in taxes to San Mateo County. This year will be higher. For this kind of money we are surely entitled to some representation.

Signed: GEORGE KIRCHHUBEL

Denman P.T.A. To
entertain New
Students' Mothers

Parents of incoming students of
James Denman Junior High School
will be guests of the school's Par-
ent Teacher Association next
Thursday, June 3, at a get-
acquainted tea and tour of the
school.

The affair will begin at 1:30 p.m.
Faculty members will be co-hosts.
The tea will highlight the asso-
ciation's regular meeting, slated
for 1:30 in room 107.

Mrs. W. S. Booker, P.T.A. presi-
dent, represented the unit May 12,
13 and 14 at the state convention
in Sacramento.

24th District Demo Club Takes Election Stands

The Twenty-fourth Assembly
District Democratic Club held
their meeting Friday, May 21, at
7 Amazon avenue.

The club endorsed proposition 5,
which blankets into civil service
the cafeteria workers in public
schools; proposition 8, to purchase
the California Street Cable Rail-
road Co., and proposition 9, on
school bonds.

The club also pledged its support
to Chas. W. Meyers, candidate for
assemblyman for the 24th district.
At the April meeting these offi-
cers were elected and installed:
Angelo Rolando, president; Clar-
ence Lovelidge, 1st vice-president;
Jack Hartley, 2nd vice-president;
William Dempsey, 3rd vice-presi-
dent; George Coates, recording
secretary; William Coleman, finan-
cial secretary and treasurer; Mike
Higgins, marshal; George Cole-
man, sentinel; Pot of Gold, Sam
Scotfield. Trustees are Mrs. Eliza-
beth Aragona, Mrs. Edna Dempsey
and Mrs. Hannah Coll.

Corpus Christi Alumnae Have Reunion Party

Alumnae of Corpus Christi
School from the class of '44
through '47 were welcomed back
to the parish last Sunday at a re-
union party.

The youngsters assembled for
8 a.m. mass and communion, fol-
lowed by breakfast in the cafete-
ria. Sister Frances DeSales and
the Rev. Della-Torre welcomed the
group in a meeting after breakfast
in the social hall.

The day culminated in a dance
Sunday night in the church social
hall. In charge of the affair were
Lee MacMillan, class of '44; Rich-
ard Maffei, class of '45; Barbara
Volken, '46; Richard Carella, '47;

LARGE STRIPERS TAKEN

— IN THE —
State Senate

HARRY L. PARKMAN
HAS REPRESENTED SAN MATEO COUNTY
FOR MORE THAN 20 YEARS

1. He was responsible for a \$250,400 state ap-
propriation with which the San Mateo Coun-
ty Fiesta Association is building its own home
2. He has rendered real service to the schools of the state. At
the recent budget session of the state legislature, as in the
past, he not only gave careful and sympathetic considera-
tion to all measures for betterment of our schools, but pro-
vided leadership in the solution of educational problems.
3. He has sponsored the fight for improved state highways in
San Mateo County.
4. He fearlessly fought down a legislative bill which would
have allowed milk company interests to invade this county
with milk pasteurized outside this county.
5. He has constantly fought for the appropriation to this coun-
ty of its share of state funds.

Many Are Losing Soc. Sec. Benefits By Carelessness

"Too many people are losing old-age and survivors insurance benefits through ignorance of their rights under the Social Security Act," Edward J. Foley, manager of the Social Security Administration San Mateo field office announced today.

Foley stated that local offices of the Social Security Administration have no means of notifying all workers or their survivors when they become eligible for benefits under the old-age and survivors insurance program. "Through the cooperation of funeral directors we are able to advise many—but not all survivors of workers in death cases of their potential eligibility," he said. "We have no way, however, of getting in touch with live workers when they reach age 65."

Some workers wait several months—even years—after their retirement at or past their 65th birthday before they file their claims for old-age insurance, with a consequent loss of benefits, he indicated. This situation was partially eased in an amendment to the Social Security Act, effective January 1, 1947, which provided retroactive payments to old-age insurance beneficiaries for as much as three months from the date of filing of claims.

NO "CROW'S NEST"

Someone neglected to mention to the crows that the U. S. is an up-to-the-minute outfit. Two of the black birds recently attempted to nest on the radar platform of the cruiser USS Atlanta, apparently not understanding that Navy ships no longer have the old-time "crow's nest" at the masthead.

Minors Require Age Certificates For Employment

Employers in California who are covered by the Fair Labor Standards Act—Federal wage and hour law—and who are planning to hire minors during the school vacation period were advised today to obtain age certificates for minors who claim to be one or two years older than the minimum requirements for the occupation in which they seek employment.

This warning was sounded by John R. Dille, regional director of the Wage and Hour and Public Contracts Divisions, U.S. Depart-

For a Fact

by D. R. STEWART

LONG BEFORE POTATOES WERE KNOWN TO WHITE MEN, THE CHICHA TRIBE OF SOUTH AMERICA GREW OVER TEN DIFFERENT VARIETIES, INCLUDING A BLACK POTATO.

ment of Labor, in the eight Western states.

Employment and age certificates issued in accordance with the regulations of the U.S. Department of Labor are acceptable as proof of age under the law and also serve to protect the employer against unintentional violations of the child labor section, Director Dille pointed out at the regional headquarters, 150 Federal Office Building, Civic Center.

The general minimum age, he said, is 16 years with an 18-year

IN INDIA, RADISHES WERE ONCE CULTIVATED FOR THEIR OIL.

minimum for particular occupations held hazardous for children. The child labor section applies to minors employed by producers, manufacturers and dealers who ship or deliver for shipment in interstate or foreign commerce, Director Dille said.

Employment and age certificates in California are issued by city and county superintendents of schools, he added.

CITIZENS COM. URGES PURCHASE OF CABLE CARS

By expending a mere \$200,000 the people of San Francisco can acquire title to all properties of the California Street Cable Car system and finally achieve a unified transit system. These facts were emphasized by Francis V. Keesling, co-chairman of the Citizens Committee supporting the \$200,000 bond issue for the purchase of the cable lines on the June 1 primary.

Before the city inaugurated the fare increase and the universal transfer, the cable lines consistently returned a healthy yearly profit, Keesling pointed out. In 1946 the lines showed a deficit of \$392 as a result of the city's transit policy and wage increases.

With the elimination of the present salaries of cable line executives and fixed charges an immediate saving of \$48,062 will be made, he declared. On this basis the lines should show an immediate profit under municipal operation.

An estimated 28,000 people rely on the California system for daily transportation and a recent poll has shown they prefer the cable service by a ratio of 9 to 1. Should the city fail to buy the lines the majority of these patrons would be deprived of transportation he declared, as the city hasn't the equipment to install substitute service at this time.

Also, he urged voters to remember that removal of the present tracks and cable slots on California, O'Farrell and Hyde streets would cost approximately \$1,500,000. Should the city install buses the expenditure would be boosted another \$1,000,000.

There should be no hesitancy on the part of the voters in choosing between expending \$200,000 to obtain a going transportation system or spending \$2,500,000 for an inadequate service, he concluded.

Alvin S. Hatch Makes Statement To The Electorate

Supervisor Alvin S. Hatch, chairman of the San Mateo county board of supervisors who is seeking reelection in the June 1st primary election, made the following campaign statement.

"My election campaign is nearing a close. This has been a campaign without issues and I have tried in every way to conduct my campaign in as a clean manner as possible.

"All American citizens are entitled to take advantage of their inherited American right to seek public office and no one is to be criticized for his choice of candidates.

"It has been my privilege to have served the people of San Mateo county as a member of the San Mateo county board of supervisors for some time past.

"I have tried to the best of my ability to conduct myself in public office as a sincere public official should who has been honored by the public trust placed in him.

"San Mateo county is in the midst of a great growth in population, industrial enterprise and community progress. As an incumbent supervisor and with my colleagues on the supervisory board, I am in the midst of formulating a progressive program to meet this county's future needs and its development.

"I would be greatly honored if the voters of San Mateo county would bestow on me election day, June 1, the honor of reelection so that I might be allowed to continue in my public duties for another four years.

"I want to take this opportunity of thanking all of my supporters for their kindness in aiding my campaign and to thank the press for the space I have been allowed for my campaign statements and political advertisements."

Women Of Moose To Nominate 1948 Officers

Nomination of new officers for 1948-49 will be held May 27 when San Francisco Chapter 739, Women of the Moose, meet in the Odd Fellows building on Seventh street.

Class initiation also will be held at that meeting.

Hospital Guild Chairman Marcella Lindholm will be hostess, assisted by Irene Library, junior grand regent, and Helen Anagarus.

Memorial services will be held for deceased officers and members.

Epiphany Cubs Win Third Trophy With Drum Corps

For the third consecutive time this year, the cub scout drum corps of Epiphany Parish last Sunday won first place in a junior boys parade division.

The cubs took the prize this time in the Fiesta Hacienda pa-

rade sponsored by the Mission San Rafael Parish House. The corps was preceded by Fred Soetjje, drum major, and Eugene Guaraglia and John Gannon, flag bearers.

The scout drum corps, led by Drum Major George Carolla, placed second in the division.

Both drum corps are planning to enter their fourth competition June 13 across the bay, at the '49ers Fiesta in Corte Madera, Marin county.

George Soetjje, the cub's baseball coach and manager, and Mario Vigo are working this week to or-

(Paid Political Adv.)

St. Michael's Parish Whist Game Wednesday

A whist game sponsored by the Catholic Ladies Aid Society of St. Michael's Parish will be held next Wednesday, June 2, in the parish hall.

Mrs. E. Foley is chairman of the affair, which will begin promptly at 2 p.m. Mesdames M. Fields, A. Fitzgerald and C. Flatley serve on the committee.

Organize a team for the scout troop of Epiphany. The new team will play its first game next week.

CONGRESSMAN

An experienced and reliable representative whose integrity cannot be questioned and whose services are needed by the people.

JACK Z. ANDERSON

STATE SENATOR

A man who has served with brilliance for 18 years deserves your support to be dean of the State Senate.

HARRY L. PARKMAN

ASSEMBLYMAN

A war veteran who has served two years in the assembly and has proved his ability and leadership.

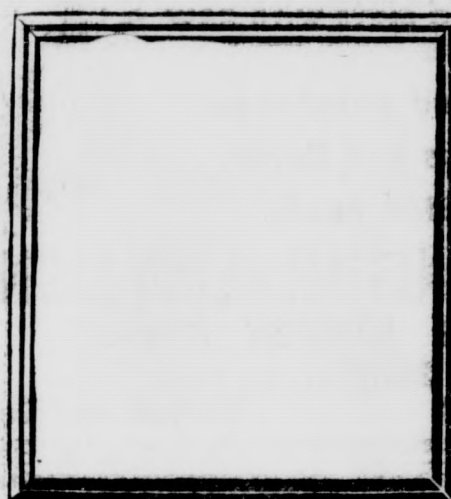

RICHARD DOLWIG

James Paul Green and Peter J. Markovich urge you to vote for the above candidates at the primaries, as a token of appreciation for outstanding public service.

This adv. sponsored by James Paul Green and Peter J. Markovich

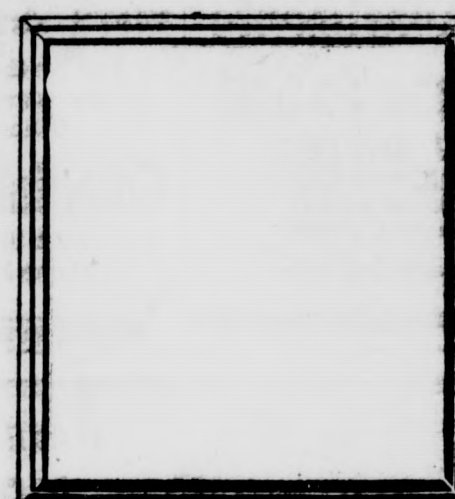

(Paid Political Adv.)

CANDIDATE A

CONGRESSMAN

CANDIDATE C

THREE MEN WANT TO BE YOUR CONGRESSMAN

Which one will you choose?

CANDIDATE A . .

CANDIDATE A is a liberal... very liberal. He doesn't like the way America is being run and neither do his supporters. They are saying some very unkind things about our Congressman. Actually, they are pointing the accusing finger at our free enterprise system and American democracy as we know it today. Do we want representation that could change our type of government?

CANDIDATE B . .

CANDIDATE B is our Congressman — Jack Anderson. Over a period of years as our elected representative in Washington he has grown in stature and experience. Today he is rated as one of the 10 top congressmen in the entire country. He believes in free enterprise—is a true friend of the farmer — and has done more to cope with the problems of this district than any other single individual. The 8th Congressional district has never received better representation, according to disinterested Washington observers.

CANDIDATE C . .

CANDIDATE C is a retired Army engineer. During his long period of military service he spent most of his time in remote spots, far from the 8th Congressional District. He comes back home at the age of 67 with a splendid military record — a deeply ingrained military thinking — and a questionable knowledge of local problems and pursuits. Are these the qualifications for able, alert representation in Congress?

On the basis of careful analysis of facts there is but one choice

A Cup of Milk Is Life-Saving Margin for Millions of Children in Today's World

—Photo by U. S. Army Signal Corps

HELPING HANDS BRING LIFE ITSELF, in the form of health-packed milk, to the hungry young. Contributions to AOA-UNAC's "Crusade for Children" mean more milk for vitamin-starved bodies.

Crusade for Children Calls for Cash Gifts To Save a Generation

New York, April 22—Milk—often in tiny quantities mankind's most useful food—is the margin between life and death today for millions of underfed children in Europe and Asia.

In Europe, for instance, the United Nations' International Children's Emergency Fund, which has distributed more than 4,000,000 children and adults without it.

The Crusade for Children of American Overseas Aid-United Nations Appeal for Children is asking to raise \$60,000,000 in voluntary contributions to help meet the threat of tuberculosis, now at epidemic wherever there are children in shattered cities, in broken lands.

Reports to Lake Success show tuberculosis rife among the orphans of Italy and France, among

the 175,000 refugee children of Greece, among the young in Czechoslovakia, Poland, Hungary and Roumania . . . for the disease knows no iron curtain.

Malnutrition and starvation are directly responsible for one of the grimmest statistics to come out of postwar Europe—where in some places one out of every three children born die before reaching the age of twelve months. This is ten times the infant mortality rate in the U. S.

War Ruined Supply

The war's long drain on manpower and its decimation of herds of milk-producing cows are the principal causes of the serious shortage of life-saving milk. Today's limited supplies can reach only the most desperate. Almost everywhere abroad, milk is strictly rationed for infants, pregnant and nursing mothers and the sick.

It costs UNICEF three and one-half cents a day to give a child the vitamins and calories with which milk, sometimes fortified

with chocolate or powdered egg, shields him from disease. Ten dollars will protect one child for a whole year . . . not much to build a future on, but enough to save a life.

Matched by Government

The UN's contribution to this vital meal is matched by an equal contribution—equal in caloric and intrinsic value—by the government of the country whose children are its recipients.

In addition to the vital work of UNICEF, funds contributed to the Crusade for Children of American Overseas Aid-United Nations Appeal for Children help similarly important projects of 25 private American foreign relief agencies, many of which have been conducting programs among the world's neediest people for many years.

Contributions to the Crusade for Children may be made to local committees or sent directly to national headquarters, American Overseas Aid-United Nations Appeal for Children, 39 Broadway, New York 6, N. Y.

HI-LITES AT S.F.C.C.

By Frank Gale
President A. J. Cloud urged all students who are registered voters in California to turn out and vote, Tuesday, June 1, for the current school bond issue which will appropriate approximately four million dollars for the completion or the improvement of City College.

Baseball
After SFCC dropped its double-header to Santa Rosa, 5-3 and 4-0, the boys hung up their spikes but they will never forget the gang they played with. They won't forget Tom Boumelis. All the younger players went to Tom for advice on their personal problems. Or diminutive Emmett "Nicely" Lynch, a grand little guy who showed he could take it when his mates constantly kidded him about his erratic fielding. Lynch more than made up for his errors with brilliant plays more than once. Nick Cannuli was another character who was the object of jokes. Ray White always took his baseball seriously and could always be found with a bat in his hands. Others making SFCC's infield click were John De Gregorio, the team's glamour boy; Al Tabarini, always wearing his high school sweater; good looking Norman Malman, ace opera singer in the shower room and offensive star; and hustling Lou Pisani, the team's morale booster and photographer.

In the outfield there was Zane Kaplan, SFCC's captain; Bill "Baby Face" Kenna, the only player who smiles when he strikes out; popular and noisy Ernie Domecus, and Chirs Makras from the Mission. Smooth Frank Bellecci was the catcher along with understudy Bob Friedman.

The pitching staff found sensational Hal Flinn polishing his shoes before game time or bragging about his .080 batting average. Paul Nederman reading his writings in the Guardians by Art Paymiller, nonchalant Charlie Blagdon, swan-like Bob Greenwood autographing pictures, and little Dick "Lefty" Johnson always warming up in hopes of getting to pitch at least one inning.

Another colorful character never to be forgotten is Coach Bill Fischer, St. Mary's All-American guard and ex-Commerce Hi coach. The Santa Claus-faced mentor's voice could be heard all the way from the dugout to Joplin, Missouri.

Thus was the 1948 ball club. Remember these names. They are the future Williamses, Di Maggios, and Fellers.

Dis an' Dat

Kappa Phi Sorority is scheduled to present its semi-annual fashion show tonight. President Marie Upland announced that the entire proceeds will go to C.A.R.E. again.

Phi Beta Rho Sorority held its "Pledge Dinner" last week at the Lake Merritt Hotel. President Dorothy Stolaroff inducted 17 young ladies into the college's

Army Recruiters Urge Enlistment For Air Service

"Enlist today for an assignment at Fairfield-Suisun Air Force Base, California, the aerial gateway to the Pacific, where the recently organized military air transport service, a combination of the Air Transport Command and the Naval Air Transport Service, is stationed as the headquarters of Eastern Pacific Wing of the Pacific Division," local Army recruiters say.

The mission of this base is that of aerial transfer of high priority passengers and freight on trans-Pacific routes to Tokyo by way of Hawaii, Kwajalein, Guam, and Manila. The only stateside operations are the crack Statesman Flight to Washington, D. C., on a thrice weekly schedule, and shuttle flights by C-47 to Great Falls, Montana, and Los Angeles.

Fairfield-Suisun Air Force Base is a huge, new permanent postwar air base with about \$35 million worth of new permanent concrete structures: hangars, barracks, runways, apartments, etc. It lies about halfway between Sacramento and San Francisco, six miles from U.S. Highway 40. This is one of the central training stations for applicants interested in Officers' Candidate School, Aviation Cadet Training and numerous technical schools.

Qualified young men of higher than average intelligence and character may enlist today for assignment to this choice air force base. For additional information contact your nearest U. S. Army and U. S. Air Force recruiting office, located at 428 Market and 2399 Mission streets.

NIGHT VISION
Night vision effectiveness of Navy pilots during the war was increased as much as 100 per cent in a 14-hour course of instruction.

largest Gossip Club. Phi Beta Rho now leads Marilee Zimmerman's Delta Psi in total membership, with 46 lovelies. Dinner and dancing was held in the Blue Room of the hotel, followed by boat riding in the lake. The impressive rituals and issuance of pins highlighted the evening for the girls of the Cardinal and Gold.

Coach Ralph Hillman's heart was scattered as his golf team lost the NCJC Modesto golf tourney to San Mateo by one stroke.

Post items on the Vag King: Did you know that the cast rehearsed until 2 o'clock in the morning two successive nights before opening night. The light opera sent even the most skeptical home asking for more. It sure went over big. Ask the capacity crowds that went.

Bill Barnes was the only SFCC man to take a first in the Modesto Relays, in the high jump. SFCC placed fourth.

Final thought: Memorial Day is coming up. Before going out to that picnic or ball game, say a prayer for the boys that died so that we may enjoy picnics and ball games.

Castro Parlor, NDGW To Sponsor Gay Nineties Show

A Gay Nineties review will highlight the meeting of Castro parlor, Native Daughters of the Golden West, Wednesday, June 2.

Members of the parlor will entertain their mothers on that date. Another scheduled event for the parlor is a dinner-dance to be sponsored by the Castro NDGW and NSGW drum corps June 12 at Parkside Hall, 1641 Taraval street. Tickets to the affair are priced at \$1.25 per person.

Delegates who will represent the women at the grand parlor convention in Sacramento June 20 are President Dorothy Mefford, Madeline Devenezzi, Georgia Nelson and Muriel Hayes.

ZIPPER BAGS

Zipper weatherproof bags are now used to protect Navy aircraft during relatively short periods when they are not in use.

Shellfish are not fish; they have no backbones.

Chicory is a perennial herb native to Europe.

The Island of Guam was ceded by Spain to the United States in 1898.

News From San Mateo Jaycee

For the past week, electioneering in high gear has swept through the three campuses of the San Mateo Junior College where numerous students are competing for offices for the fall semester. Student body officers, those for the Associated Women Students, the Women's Athletic Association, and the Associated Men Students were all in competition.

Among the numerous candidates from outside the Three-City Area were Ted Prescott of Daly City and Dick Byers of Millbrae for the presidency; Jean Hillman from South San Francisco, Joan Jorgensen from Millbrae, and Audrey Todd from San Carlos seek the office of secretary; Ed Milano, outstanding football and baseball player from Daly City, is running for treasurer, and John Adams from San Carlos has campaigned for low soph representative.

College Sports

The students will have an all-college sports day at Coyote Point this Friday afternoon and evening; high sophomores enjoyed their class picnic at Adobe Creek Lodge; John Reber, who has suggested the plan of dividing San Francisco

Parish To Hold Spring Festival

A Spring Festival, complete with all the features of a country fair, will be sponsored next week by St. Michael's Parish in the church social hall, 32 Broad street.

All organizations of the parish will cooperate in the affair, with even the children participating. The Catholic Ladies' Aid Society will sponsor a linen booth; a sweet shop will be maintained by the Ladies' Sodality; ham booth by the men's Holy Name Society; miscellaneous booth by the Park Merced group, and a fish pond by the Children of Mary.

The Rev. Edmund Kenny will supervise the event, scheduled for Friday and Saturday evenings, June 4 and 5, and Sunday afternoon and evening, June 6.

Bay into three parts, including two fresh water areas, addressed a large audience at the college recently; the college team tied with Santa Rosa jaycee for the title; the golf team won the conference title; the ceramics students staged their display Saturday and Sunday in the old science building, and the tennis team has left for Lexington, Missouri, for the nationals.

"New Look" Fish Loaf

By Frances Lee Barton

LONG with spring fever comes a desire for food that is different from the winter routine—something fresh and springlike. Well, a Jellied Fish Loaf is pretty enough to satisfy the "new look" and besides, it tastes as good as it looks! Made with salmon, or any left-over flaked fish, bedded on crisp lettuce leaves, is a dish to please both the family and company. And—another important point—it is kind to the itered pocketbook. So try it one these warm spring days!

Jellied Fish Loaf

1 cup tuna fish or salmon, drained and coarsely flaked; 1 cup diced cucumber, salted and drained; 2 tablespoons chopped pimiento; 2 tablespoons chopped parsley; 1/4 cup mayonnaise; 1 envelope speed-up flavored gelatine; 1 teaspoon salt; dash of pepper; 1 1/2 cups water; 1 teaspoon scraped onion; 1 teaspoon Worcestershire sauce; 1 tablespoon vinegar.

Combine fish with cucumber, pimiento and parsley; blend with mayonnaise.

Combine gelatine, salt, and pepper in saucepan. Add water and place over medium heat until gelatine is dissolved, stirring constantly . . . about 2 or 3 minutes. Remove from heat. Add onion, Worcestershire sauce, and vinegar. Fill. When slightly thickened, fold fish mixture. Turn into 8 x 4 x 3 loaf pan. Chill until firm. Remove on crisp lettuce. Garnish with mayonnaise. Makes 6 to 8 servings.

Peas Are Gamble

Although the garden pea is a most important food crop in America it is not well suited to small gardens most parts of the country. Fresh peas are highly nutritious and delightful to eat, but they take too much seed, space, time and work to grow, harvest and prepare, in comparison with many other vegetables that might better be grown. They are sensitive to hot weather and are rather a gamble in many parts of the country.

Bleaching Fabrics

Bleaching may be done by using reliable bleaching agent and by following the manufacturer's directions. Special care should be taken with delicate fabrics. Bleaching solution left in clothes continues its work. Therefore the amount used, the temperature and the time should be carefully controlled. Fabrics which have been treated with bleaching agents should be thoroughly rinsed until all of the bleach has been removed. Ordinarily, colored fabrics should not be bleached. Chlorine solutions should not be used on silk or wool.

TROUT ANGLING GOOD

Trout angling has been very good lately on Clover Creek in Plumas county, according to the National Automobile Club. Most anglers have caught fish and many have taken limits.

Phi Beta Rho Sorority held its "Pledge Dinner" last week at the Lake Merritt Hotel. President Dorothy Stolaroff inducted 17 young ladies into the college's

NEVER STANDS IDLE

UNIVERSAL
THE Jeep

THE 4-WHEEL-DRIVE UNIVERSAL "JEEP" works all day, all year : : : in the field as a tractor . . . on or off the road for hauling and towing. Comfortable and easy to operate, it lets you stay on the job for hours without becoming exhausted. When work in the field is done, the "Jeep" is ready to tackle almost any other job—hauling produce, perhaps, towing a cattle trailer or helping out in scores of ways. As a mobile power unit, the "Jeep" with power take-off can operate virtually any piece of power-driven farm machinery. Come in and see the "Jeep" now.

Elected By Vote of
Entire County

Final Campaign Statement Made By Tom Hickey

As the campaign to elect three of a field of six candidates was nearing a close, Supervisor Thomas L. (Tom) Hickey, father of the move which gave San Mateo county its community hospital today released a final campaign statement. He said:

"Let me begin by thinking all those fine people who have given me such generous assistance in my campaign for reelection. I also want to thank the press for the space allotted me for my campaign statements.

"I have served the people of San Mateo county now for several terms of office. I have always considered that a great honor.

"During this campaign I have noted that peninsulas are particularly keen about gearing their county government to meet the ever rising needs of an increased population.

"In this campaign I have learned much from the people themselves. What they think of their county government. How they believe it could be better. What they are opposed to in county government and what they believe is necessary in this government system.

"It is truly too bad that more people do not come to our supervisory sessions on Tuesdays to speak their piece about government. I welcome them.

"In the past as your supervisor

Grande and Santa Barbara avenues.

OLPH Mothers Club To Sponsor Dessert Whist On Election Day

A dessert whist party will be sponsored June 1, election day, by members of Our Lady of Perpetual Help Mothers Club in the auditorium of the school.

Mrs. Theresa Sullivan is chairman of the whist, while Mrs. Mary Calagari will be in charge of dessert. The party will mark the last such event of the term.

Richard J. Dolwig Gets Endorsement Of Lafayette Club

Endorsements supporting Assemblyman Richard J. Dolwig's stand for re-election continue to pour into his South San Francisco headquarters.

Latest endorsement accorded the San Mateo County legislator is that of the Lafayette Club, an organization of French-American citizens residing in San Mateo county.

L. M. LaLanne, president of the Lafayette Club, stated in announcing the endorsement: "I have the pleasure of informing you that you have the endorsement of our club. We wish you our very best wishes for success."

The Lafayette club was among those that supported the popular legislator in his first campaign for Assemblyman from San Mateo county.

Assemblyman Dolwig has the endorsement of all Republican groups along with strong personal endorsements from many labor and democratic leaders throughout the county.

James F. O'Neil, national commander, American Legion, today informed Richard J. Dolwig, San Mateo County Assemblyman, and Cuth San Francisco lawyer, that he has been appointed to the National Distinguished Guests Committee of the American Legion.

Duty of committee members is to welcome distinguished visitors in the California area in behalf of the Legion groups. Dolwig is legislative chairman of the 26th District American Legion. The Assemblyman holds a membership in Bernard McCaffery Post, South San Francisco.

CHECK CONNECTIONS

A loose battery or battery ground connection may cause all the lights on your automobile to burn out, warns the California State Automobile Association. An occasional inspection of the battery hold-down clamps and all battery connections, to be sure they are tight, is advised.

I have always welcomed public criticism (constructive criticism) about the functions of government. "I am still in that frame of mind. My record shows that from the time I first took office I have either sponsored or supported any progressive movement to better our county government. I sincerely hope I shall be able to continue that policy by being reelected Tuesday, June 1st, by the electorate of San Mateo county."

GIVE TO SAVE LIVES

News Column For The Veterans

Seriously disabled World War II veterans, eligible for automobile at government expense, have until June 30 to submit their applications, local Veterans Administration officials warned today.

In the VA Branch 12 area (California, Arizona, Nevada and Hawaii) more than 1,450 veteran leg amputees have received automobiles.

VA advises eligible veterans to apply for their cars at least 15 days before the deadline to allow ample time to process their applications.

The law provides an automobile or other conveyance at a cost not to exceed \$1,600 for any World War II veteran who lost, or lost the use of, one or both legs at or above the ankle as the result of service incurred injuries.

Veterans Administration officials today reminded World War II veterans who have allowed their National Service Life term insurance to lapse that they have only until July 31 to reinstate it without physical examination.

In order to reinstate lapsed term insurance the veteran need only certify that his health is as good as when the policy lapsed and pay two monthly premiums.

More than 130,000 veterans in California, Arizona and Nevada have reinstated lapsed G-I insurance in the past 15 months.

Question: I am a World War I veteran and would like to know if

I can get a guaranteed loan under the provisions of the G-I Bill?

Answer: No. Benefits of the G.I. Bill (Public Law 346) are for World War II veterans only.

Question: What is the largest amount I can borrow under the provisions of the G-I Bill and still have the loan guaranteed?

Answer: There is no limit to the amount which can be borrowed under the G-I Bill. The limitation by law is on the amount of the government guaranty and not on the amount of the loan.

Question: After I have repaid the amount I borrowed under the G-I Bill, is my loan guaranty privilege restored to its original amount?

Answer: No. You may use the full amount of your loans rights only once.

Senator Parkman In "Home Stretch" For State Senate

Assured strong Republican support, State Senator Harry L. Parkman, San Mateo county's representative in the State Senate who is seeking reelection in the June 1st primary election, was today making the home stretch of his campaign backed by a county-wide Democratic party support.

A Democratic Committee-for-Parkman, representative of Democrats in all sections of the county, was announced today as actively campaigning in Senator Parkman's behalf.

The Democrats-for Parkman committee list is as follows: H. E. Casey, 1036 Whitwell road, San Mateo; Anthony Gaggero, Mayor of Daly City; Claude Hirschey, former chairman of the San Mateo County Central Democratic Committee and former mayor of San Mateo; Clare Kemp, Burlingame businessman and merchant; Stanley T. Schoof, Redwood City; Theresa Oppizzo, Burlingame; Lorna Steele, San Mateo; Bert Johnson, Redwood City; Gilbert Schoux, Burlingame; Mary E. Smith, Burlingame; Myra B. Goad, Burlingame; Mabel Johnson, Redwood City; Bessie Schoux, Burlingame; Granville Harmon, San Mateo; Maxwell Richardson, Burlingame; Wilda Hoff, Burlingame; Jack Good, Burlingame; Rudy A. Schoolman, Burlingame; Lorraine Arnold, Burlingame; James L. Steele, San Mateo; Elmore Hoff, Burlingame; Evelyn L. Kennedy, Burlingame; Mary Richardson, Burlingame; Helen Gordon, Burlingame; Fred Oppizzo, Burlingame; Irene Harmon, San Mateo; Mary Pelizzer, San Mateo; Lloyd Stang, San Mateo; Harry G. Bragg, Burlingame; William E. Signarowitz, San Mateo; Amy Schoof, Redwood City and Edna O'Brien, San Mateo.

In a public statement the Democrats-for-Parkman group said: "Senator Parkman has repre-

OLPH Mothers Have Election; Plan Activities

Mrs. Valetta Ennis was elected to the presidency of Our Lady of Perpetual Help Mothers Club May 14 at an election meeting in the school.

Other members chosen to serve on the new governing body were Mrs. Theresa Sullivan, vice-president; Mrs. Susan Schroeder, recording secretary; Mrs. Alice McGraw, financial secretary; Mrs. Jean Denning, treasurer; Mrs. Mary Calagari, auditor, and Mesdames Catherine Bradley, Emily Garcia, Dorothy McInerney, Lea Miller and Mildred Sims, directors.

Among a number of social activities the club is planning for next month is a dance June 5 in sented all of the voters of San Mateo county in the legislature—Democrats as well as Republicans."

the school auditorium. John Dell's orchestra will play for dancing from 9 p.m. 'til 1. Mildred Baroni is in charge of ticket sale while Mildred Sims arranges refreshments. Admission price is 75 cents.

On June 11, the club mothers will entertain members of the graduating class at a breakfast at the school cafeteria. Mrs. Margaret Schreiber is chairman of the affair.

The club's next meeting is slated for 8 p.m. Wednesday, June 9.

May 27 Marks Anniversary Of Marine Campaign

May 27, 1948, is the 30th anniversary of the beginning of the "Marine" on the lips of soldiers of four great armies and a nation.

In the spring of 1918 two regiments of Marines dug into a defensive line behind the Western front. As they dug in they watched the blue clad French "poilus" dig their way to the rear. They were the backwash of a beaten French army.

The field-gray legions of the American Expeditionary Force were ordered to jump on their offensive May 27. They hit a quiet sector, and over tired, decimated British and French divisions, and drove Paris.

Groups of the Second American Division were fresh, not yet veterans of front line fighting. They were held for possible reinforcement of the First American Division.

The Fifth and Sixth Marines, of the Fourth Brigade, and the two Division Army Regiments moved up. Retreating French were used to bolster the Division's line.

Running "poilus" begged the Americans to move back with them. At this point an unidentified

fied Marine officer spoke the undying words, "Retreat hell, we just got here."

After driving 35 miles in three days on foot, of course, the Germans hit the Second Division line, were stopped, and dug in. The French command ordered an attack. The Marines and Doughboys jumped out on June 6, and the 20 days that followed saw some of the most vicious combat the world and the Corps had seen to that time. It was during those bloody days that the Germans christened the Marines with the now famous moniker of "Devil Dogs."

Premier Clemenceau acknowledged that Paris had been saved by the stubborn, slogging fighting American Marines and soldiers. The Sixth French Army renamed Belleau Woods "La Brigade De Marine."

An interesting sidelight of the war in France is that Marines fought in Army uniforms. When they arrived their forest green uniforms were taken from them by the Army, who then issued the Marines khaki.

Albeit a friendly rivalry, Marines do not like being mistaken for soldiers. It seems that greens resembled closely the field-gray of the Germans. It is believed that a

Wheeler Promises 'Wide-awake' Term As Committeeman

Expressing his appreciation and gratitude for the generous response which has been given his candidacy as Democratic County Committeeman from the first township, George F. Wheeler promised a wide-awake term of office if elected at the primaries next Tuesday.

The Daily City resident has received the endorsement of many civic and fraternal groups with a platform aimed at giving the people representation in the selection of Democratic candidates, pledged to critical selection of office-seekers on a basis of qualification and ability.

Wheeler has drawn the first position on the primary ballot and a large Democratic turnout is anticipated.

goodly number of German soldiers wished, in the days following May 27, 1918, that they, too, were not "wearing the green."

Henry W. Edmonds Seeks Reelection As Supervisor

Colonel Henry W. Edmonds, a veteran who served in two World Wars with distinction and who has served San Mateo county on its board of supervisors for the past four years, issued a final campaign statement today. He said:

"I was elected to the San Mateo county board of supervisors four years ago when the first problems of the returning GI's were confronting civilian government. In seeking election at that time I felt, that because I had already served in the military services as well as in civilian government (he was formerly city councilman of Redwood City as well as a port commissioner of that city) my two-fold experience would be of value to this county.

"Upon my election I found that post-war government would be a long time untangling the snarls that a war created what with dis-

placement of persons, change of population from one center to the other, increased need of housing conditions, better planning for new industry and business enterprises plus solving the predicament of those, who after being employed here in war industries were unemployed when the need for such employment ended.

"That condition still exists and local government officials must lend a hand in solving its problems. I would like very much to fill another term as a supervisor in San Mateo county's government for I feel that my experience in such matters, my planning to meet such problems will be valuable to San Mateo county.

"For that reason I seek reelection to office. May I close by thanking my supporters for their work in my behalf and the press for publishing my campaign media."

Supervisor Edmonds was decorated by General John J. Pershing for gallantry in action during World War I. He holds the Silver Star and Purple Heart medals. He also served in World War II with distinction.

SALMON ANGLERS HAVE LUCK

Anglers have taken considerable numbers of sizable salmon lately from the Feather River in the Butte County area, according to National Automobile Club.

CROWDED HIGHWAYS

Crowded highways over the Memorial Day holiday will demand extra caution on the part of motorists, points out National Automobile Club. Wise motorists will see that their cars are mechanically sound, drive at reasonable speeds, take no rash chances, and always be courteous.

TROUT ANGLING

Trout anglers have been enjoying first-rate sport during the last few days along Big Pine Creek in Inyo county. Fishing throughout this area has shown general improvement during the past two weeks.

what it takes to handle 19 MILLION CALLS A DAY

1. Down the line come telephone instruments...your first link with an amazing system. They're sensitive and complex—but just a small part of the facilities required to connect your home with millions of others—and handle nineteen million calls a day. That's Pacific Telephone's present average. In 1940 it was 11,000,000 calls a day.

2. Intricate switching equipment like this must be practically custom made and installed before telephones can be used. You've probably never seen it...but it's on the job every time you make a call. And there's still more to the story. Land and buildings and other equipment must be provided—all of it's expensive.

3. "Roadways of speech"...telephone lines and cables...have to be ready to carry the calls. There's nearly fourteen million miles of wire now at work in the West...and more is being added every day. Handling more calls than ever in our history keeps all our facilities mighty busy—along with the telephone people who man them.

4. Where does the money come from? Millions of new working dollars...needed to extend and improve service...must come, not from telephone bills, but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. This depends on the sale of our services at fair and adequate prices.

The Pacific Telephone and Telegraph Company

More than 70,000 people working together to furnish ever-better telephone service to the West

NEWS FROM THE SCHOOLS

CROCKER

Duane Hale of the low fifth spent the week end duck hunting with his family in the San Joaquin Valley.

Several girls and boys of the high fifth were entered in the track meet held Saturday, May 15. Their names are Louise Covell, Margaret Robertson, Maxine Faulk, Emily Guido, Alice Zwickert, Lois Kramer, Robert Church, Harold Miller and Richard Kallman.

Robert Yonan saw the American Day program at the Civic Auditorium. Ginger Rogers and Danny Kaye were there in person.

Gail Toys has entered the high sixth grade. She came from Colorado.

Heather Bridges is now at home recovering from an appendectomy. The class sends her its best wishes for a complete and speedy recovery.

At the track meet last Saturday, Woodrow Wilson, Perpetual Help, Crocker and Jefferson vied for honors. Crocker was victorious, with a score of 60 points. The following high seventh grade students participated:

Miriam Villalba placed second in the soccer kick and relay race; Margaret Moore placed first in the high jump and also received a prize in the relay; Phillis Rather took fourth prize in the high jump; Jacquelyn Chambers placed third in the high jump and second in softball.

JEFFERSON

Both kindergarten classes have been making "Indian hats." These were made as a result of learning several Indian songs. The children brought extra bags and so had the experience of sharing with others. In this way good citizenship traits are being developed even this early in life.

Last Wednesday Jo-Ann Varni brought many selective records that correlated with the first grade reading and story-telling hour. The children then had a musical activity lesson in which they listened,

discussed, and dramatized, the musical recordings. The lesson was greatly enjoyed by the pupils.

The children in the first and second grades are studying about the fire department. They are learning how to prevent fires and where the fire alarm boxes are located in the community.

Edmond Cyrs and Gregory Simon brought interesting books about the fire department.

The second and third grades, Room 6, have been learning how to keep safe at home. Their health book lists nine ways to keep safe and the students are eager to put each item into practice.

We plan to make a poster of these points, to be used as a constant reminder of how to keep safe at home.

The high and low third grades have taken an imaginary trip to Holland where they learned about the different kinds of homes in which the Dutch people live. A large picture was made by the pupils showing the interesting homes of our faraway friends.

In connection with their study of "Old California" the pupils of the low and high fourth grades made a replica of Mission Dolores. As a culmination of the activity

MEMORIAL DAY DRIVING

"On that Memorial Day week end, don't drive too long at any one time," warns Bert Stewart Jr., field secretary for National Automobile Club. "Stop and stretch your legs at a particularly scenic spot. This will make your trip safer and increase your driving pleasure."

The children went on an excursion to the Old Mission, in San Francisco. Everyone found much of interest at the Mission and all were very happy to have seen this historical part of California.

Mrs. E. Dennis and Mrs. H. Markel very kindly accompanied the class on the tour.

Pack 36 Cubs Have Picnic In Stern Grove

The annual picnic outing for Pack 36, Cub Scouts, was held Tuesday evening, May 25, in Sigmond Stern Grove. The picnic supper was followed by a campfire program, at which time awards were presented to all boys eligible.

The final game for the cub softball season was held Saturday morning, May 22. Pack 36 finished in third place in the league. Following the game, a party was held

DRUNKEN DRIVING

Revocations and suspensions of drivers' licenses for drunken driving in California have shown a steady increase since the end of the war, reports National Automobile Club. While in 1944 there were only 20 revocations and 7,151 suspensions handed out, in 1947 there were 684 revocations and 23,794 suspensions.

at the home of Vic Yerby, coach, for all members of the team, Dick Hopman, Don Williams, Dick Hiett, and Robert Pool attended the party from Den 16. Mr. and Mrs. Yerby were both presented with gifts from the boys in appreciation of their work for the team.

The next meeting of Den 16 will be held Friday afternoon, May 28, at 27 Gambetta street.

STEP—DON'T JUMP

If you're going boating on the Memorial Day holiday, safety officials of National Automobile Club advise you to step into the center of that boat, don't jump.
